**Hello wonderful Mentors and Drumline members of the CMB!**

**We have been asked by the Kroger Corporation to help the reopen the Goshen Kroger! See the info below:**

**What to wear:** Red Parade shirt and black shorts

**Instruments:** You will be responsible for getting you and your instrument to Kroger and back to GHS. Take your instrument home tonight so you have it in the morning!

**Time:** Be at the Kroger at 7:30 a.m. We will warm up and then wait on the Kroger officials to tell us when to play. I do know what time we will finish we are not in control of the event.

**Thank you for helping us and the community of Goshen!!**
